RIGHT SIZE YOUR TRASH

Nearly half of what's inside the average Longmont trash cart could actually be recycled or composted. That means most of you are paying for more trash service than you need.

THINK BEFORE YOU THROW!

Much of what's in your trash cart could be recycled or composted

NEXT STEPS

REDUCE - Pay attention to what you purchase.

REUSE - Opt for items that go beyond single use & repair instead of replacing.

RECYCLE - Know what can be recycled and use your blue-lidded bin to max potential.

COMPOST - Sign up for curbside composting service or start a backyard compost bin.

REPLACING & CLEANING CONTAINERS

The City will repair or replace containers that incur damage through routine use at no cost to the customer. Visit serviceworks.longmontcolorado.gov or call (303) 651-8416 for more information.

Tips and Tricks to clean a dirty cart:

- In most cases, you can simply hose it out and let the water drain onto your yard.
- Take it to a carwash!
- Hire an at-home cleaning service
